President's Message**Dear Florida SWAT Membership:**

As we close out another year of service, training, and brotherhood, I want to take a moment to thank each of you for your continued commitment to training, professionalism, and seeking out opportunities to better yourself for your communities. Our success is built on the dedication of our members – the men and women who train hard, lead by example, and represent the very best in tactical operations. From hosting advanced courses to participating in community outreach and tactical competitions, you have elevated the standard of readiness and teamwork.

In 2025, we hosted 28 total classes and 3 competitions: the Swat Round-Up International, the Spring Sniper Shootout, and the Patrol Rifle Competition. Looking ahead to 2026, we are focused on continuing to enhance our training programs by seeking both internal and external experts to improve our members' operational readiness. We will be hosting a blend of new training courses, in addition to our most popular courses. The first annual Florida Active Shooter Training (F.A.S.T.) Conference will be a blend of debriefs, lectures, hands-on, and scenario-based training. All classes, food, and lodging will be included in the registration fee. We are also looking to provide advanced courses in Explosive Breaching, Public Venue Sniper, and NVG that will be at a significantly reduced price point for our members.

We will continue to expand our partnerships with agencies and industry leaders and provide additional benefits to our members. Your involvement is what drives this organization forward, and we encourage every member to stay active, attend events, and contribute ideas that help us grow. My email is FSApresident@floridaswat.org, if there's something you want to see or add to the association, please reach out and connect with me.

On behalf of the FSA Executive Board, thank you for your dedication, professionalism, and commitment to the mission. We look forward to another strong year together.

Stay safe and never stop improving!

**HELPING TO TRAIN THE FUTURE OF
LAW ENFORCEMENT, ONE ROUND AT A TIME.**

As a supporter of the SWAT Round-Up for many years, Florida Bullet continues to wish the staff, judges, competitors, vendors, and spectators a wonderful competition week and a safe trip back home to their families.

FSA Board of Directors

The **Florida SWAT Association** is dedicated to professionals operating in the tactical communities of law enforcement and the military. Although members are predominantly Florida-based law enforcement officers, the Florida SWAT Association is open to all officers that respond to and resolve critical incidents, as well as those individuals who provide direct support for those officers.

Chairman/Director's Message

Welcome to the 43rd anniversary of SWAT Round-Up International!

When the torch was passed to me from former SRI Director Lieutenant Jon Cute, I vowed to ensure that SWAT Round-Up International stays true to Buffy's dream that he started in 1982. As SWAT Round-Up has evolved over the years, one thing remains the same: it is the premier event where SWAT operators from around the world can come together to share their experiences, train together, and compete in challenges that test their operational readiness.

I would like to take a moment to recognize the loss of our dear friend and SRI Committee member, Robert Pigman. Rob served many leadership roles throughout his professional career. Rob was the Director of the Valencia Community College Criminal Justice Institute. Through Rob, Valencia has been a steadfast supporter of SWAT Round-Up and the Florida SWAT Association. Prior to taking on the responsibility of Director for Valencia, Rob retired from the Orlando Police Department as a Deputy Chief. Throughout his years with Orlando PD, Rob was a long-time member of our SWAT Team and a former competitor in SWAT Round-Up. We will miss his presence, but his memory lives on through his impact on SWAT Round-Up International.

On behalf of the SRI Committee and Florida SWAT Association, I want to thank Chief Eric Smith and Sheriff John Mina for their unwavering support of SWAT Round-Up International. To all our vendors, I want to thank you for continuing to play a pivotal role in the continued success of SWAT Round-Up. I would also like to extend a special thank you to our committee members, range staff, work crew and all the supporters that make SWAT Round-Up what it is. Without the hard work of all these people, many of them in the background, SWAT Round-Up would not be the successful international event that it is today. Please take a moment to thank these workers throughout the week.

I want to say "good luck" to all the competitors this week. Run fast, shoot straight and be safe!

SAM HOWARD SUPER SNIPER CHALLENGE

INDIVIDUAL COMPETITION EVENT

WEDNESDAY - NOVEMBER 5, 2025 - 0900 HOURS

Sergeant Richard "Sam" Howard, a Kissimmee Police Department SWAT team member, and his partner, Officer Matthew Baxter, were shot and killed after responding to reports of suspicious people in a high crime drug area on the night of August 19, 2017.

Sam was born and raised in North Kissimmee and attended Osceola High School. After graduating, Sam enlisted in the U.S. Army where he honorably served the United States in Iraq.

Upon his return home, Sam still felt a strong urge to serve, so he became a police officer at the Kissimmee (FL) Police Department, where he proudly served for 10 years until his untimely death.

Sam always possessed an infectious smile that he shared with everyone he personally contacted. Behind that smile was a hard-working Police Sergeant who believed the best existed in his family, friends, coworkers and members of the community. For those of you fortunate to meet or know Sam, his smile was infectious!

Sam was a highly valued and seasoned member of the Kissimmee Police Department, working in Uniform Patrol, the DUI unit, Traffic Enforcement Unit and Criminal Investigations. He was also a skilled and tenured member of the Kissimmee PD SWAT team as a Sniper. He always dedicated himself to building up his fellow team members.

Sam had many hobbies in life: cars, racing, music and lifting all the weight in the gym during one of his famous leg workout days.

Sam was not only just a police officer, but a devoted family man who left behind a fiancé and daughter.

SWAT Round-Up International is proud to name one of our individual competition events, the Sam Howard Super Sniper Challenge, in his honor.

The Sam Howard Super Sniper Challenge will forever memorialize Sam's warrior spirit and dedication to his fellow SWAT team members.

PRICHER SCRAMBLE

TEAM COMPETITION EVENT #3

WEDNESDAY - NOVEMBER 5, 2025 - 0900 HOURS

Sergeant Gary S. Pricher, a Tampa Police Department SWAT team member, was returning home after competing in SWAT Round-Up on the evening of November 4, 1983. When he stopped with fellow team members to assist stranded bus passengers on Interstate 4, a truck driven by a drunk driver swerved off the road and hit Sergeant Pricher, who died at the scene. Sergeant Pricher was a brave and

humble warrior who would do anything for his brothers in blue and for his community.

SWAT Round-Up International named one of the team competition events in his honor. The Pricher Scramble continues to be one of the five core team events that teams compete in during the annual SWAT Round-Up competition.

MIKE MILMERSTADT SUPER SWAT COP CHALLENGE

INDIVIDUAL COMPETITION EVENT

WEDNESDAY - NOVEMBER 5, 2025 - 0900 HOURS

On Monday, March 20, 2023, Mike was training in the gym, off duty, when he experienced a headache that medical professionals diagnosed as a serious brain injury. He was rushed to the hospital and on Sunday, March 26, 2023, Deputy Milmerstadt was laid to rest after being kept alive on life support to provide his organs to eight other individuals in one final act before his death.

Milmerstadt, who is the father of three young boys, worked for OCSO for seven years. He was a member of the Community Oriented Policing Squad (COPS) and the agency's Special Weapons and Tactics (SWAT) team.

Mike believed in living a fulfilled life and pushing past his limits every day. One of his passions was working and CrossFit, and he would push himself to the max to

complete the most challenging workouts. He lived by the motto, "Earn the Day," which meant that he never took a day for granted and always made the most of every opportunity. Mike was an inspiration to those around him, always encouraging others to push themselves and reach their full potential.

SWAT Round-Up International is proud to name one of our individual competition events, the Mike Milmerstadt Super SWAT Cop Challenge, in his honor.

The Mike Milmerstadt Super SWAT Cop Challenge will forever memorialize Mike's warrior spirit and passion to encourage his SWAT team members to never take a day for granted and to "Earn the Day."

DYNEEMA®

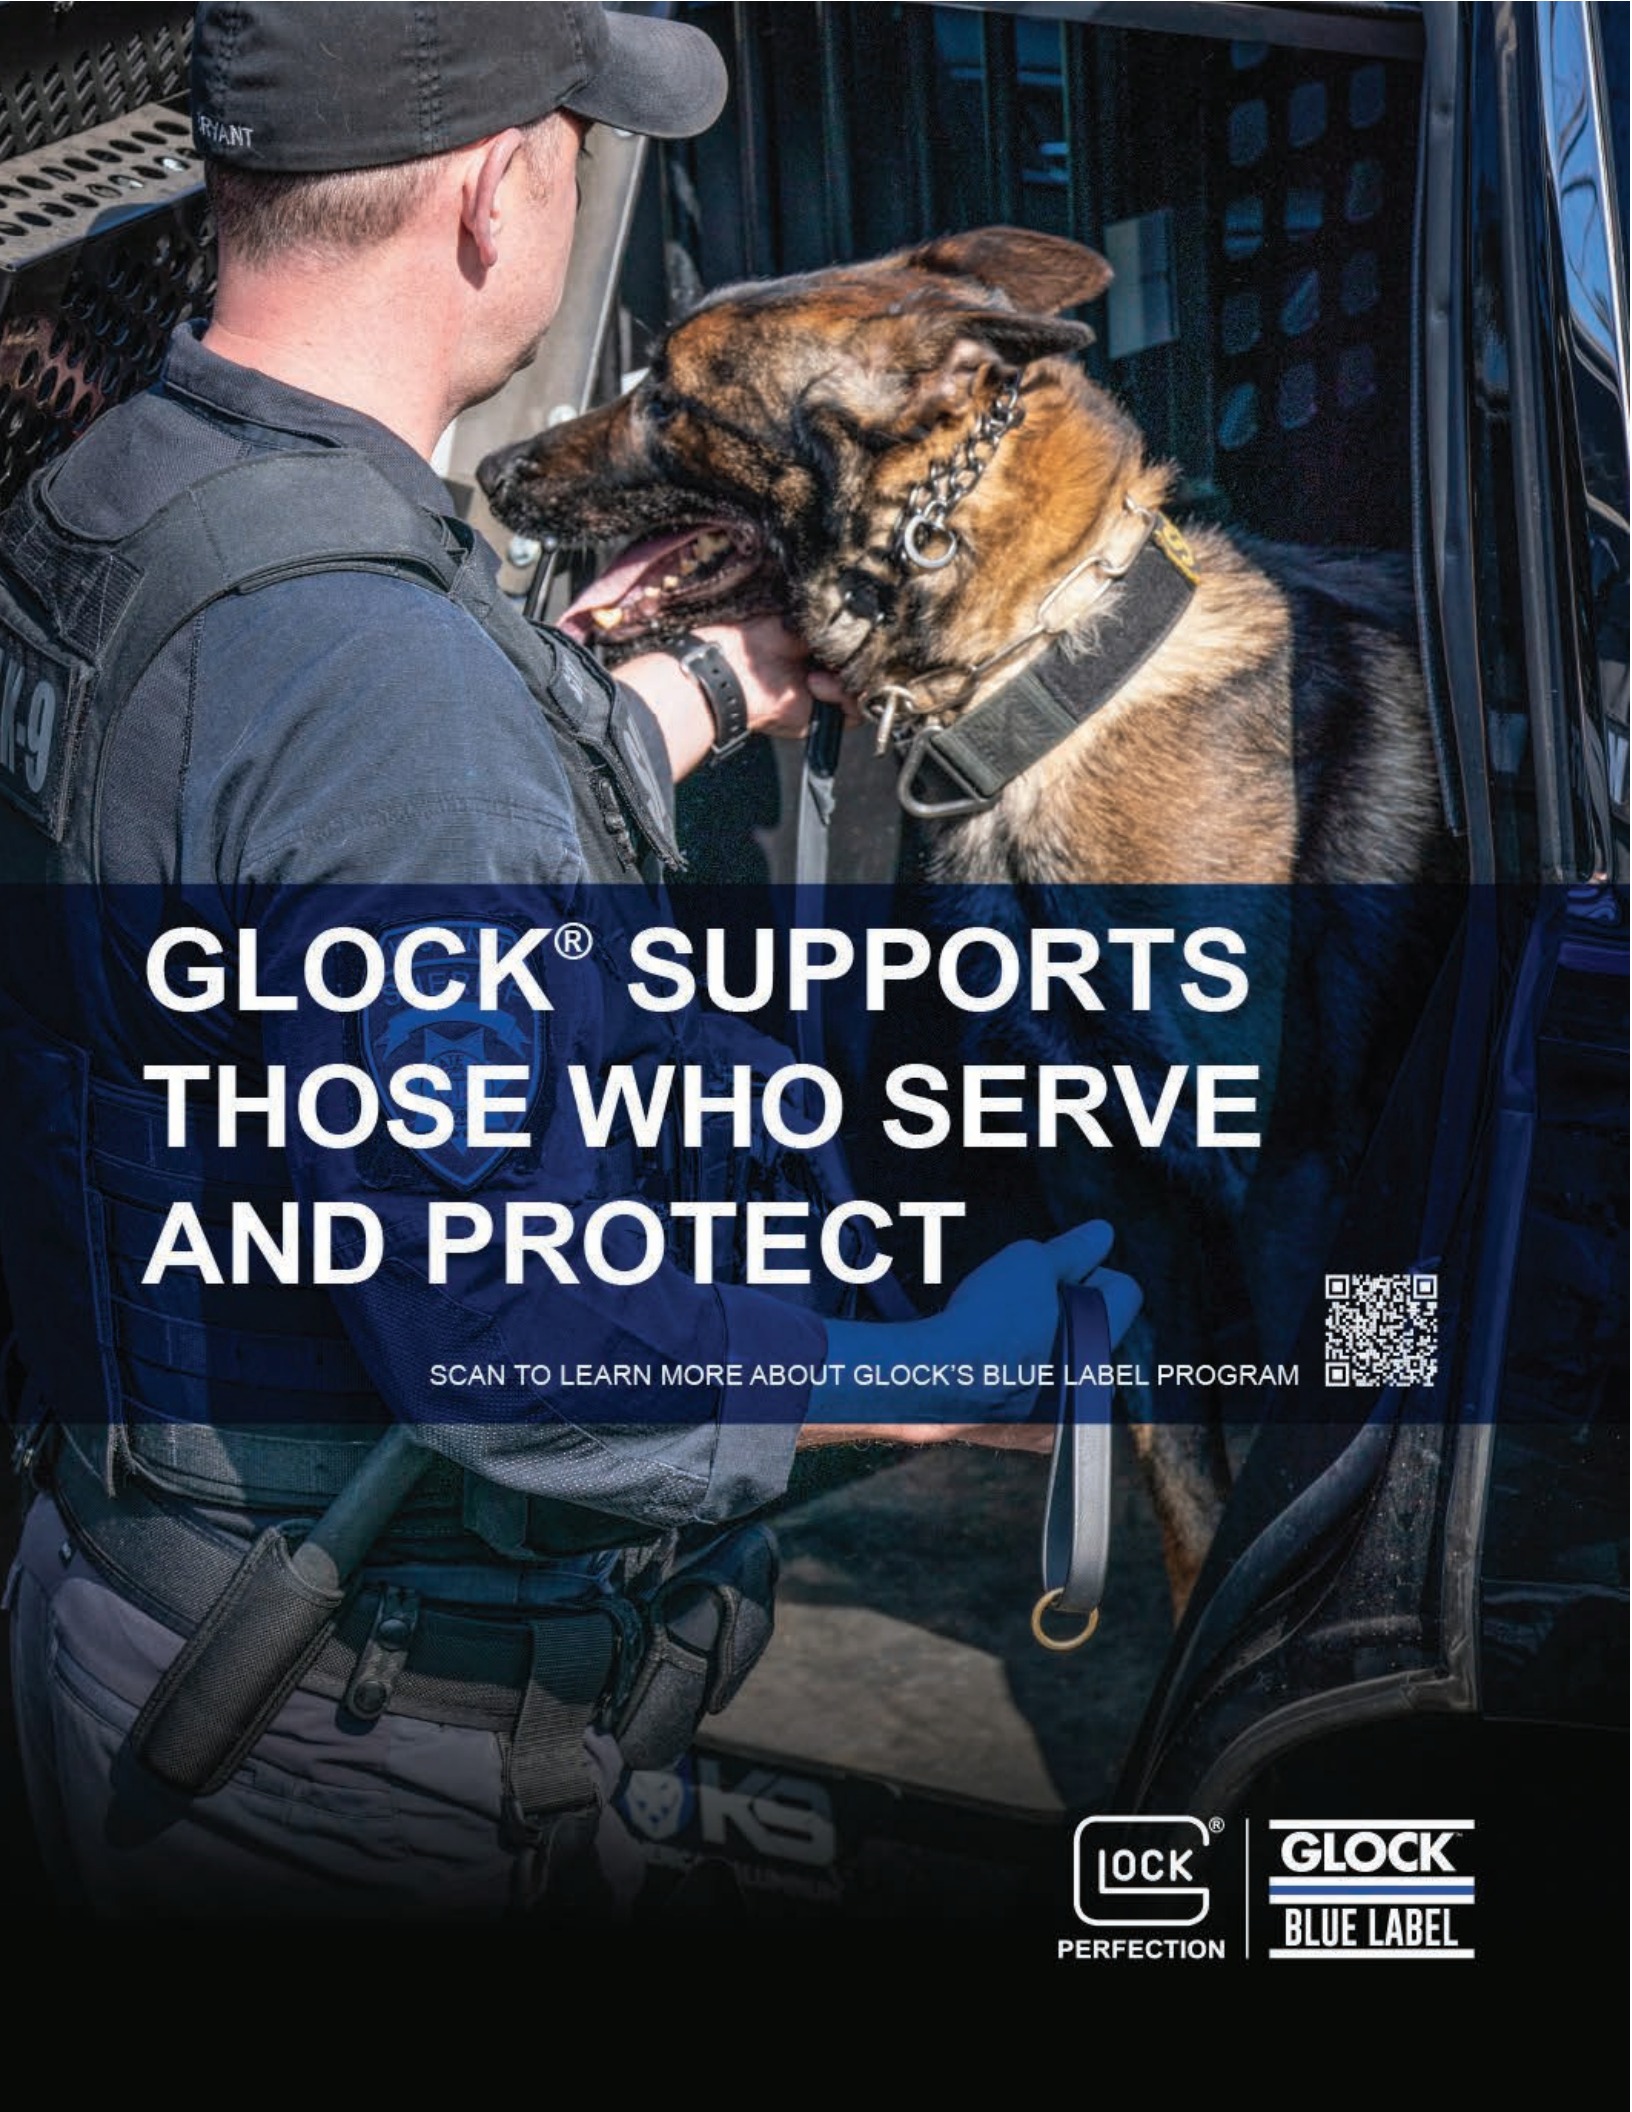

- Dyneema® will do a ballistic armor demo shoot showcasing the performance of their newest third generation fibers for both soft and hard armor systems. This will include SB301 for soft armor and HB332 for hard armor plates.
- The shoot will be conducted by a member of the Dyneema® team, using various rifle and handgun rounds including AR10(.308), AR15(5.56x45), revolver (.44 mag), and two semi-auto pistols (9mm and 40 S&W).
- The higher-tenacity fibers within Dyneema® SB301 and HB332 represent a breakthrough in ballistic protection, enabling armor solutions for law enforcement and military personnel that are lighter, more comfortable, and still equally protective.

SIG SAUER

- Sig Sauer will demo the following handguns, rifles, suppressors and binoculars: MPX, MCX, 716, Cross, SPEAR, suppressors, P211, 226 SAO Legion and image stabilized binoculars.

9mm, 124 grain JHP / 357, 124 grain JHP / 45 ACP, 230 grain JHP / 5.56mm, 55 grain FMJ, FMJ (Rifle Plate)
