

The Florida SWAT Association Presents

Dark Knowledge, Magic, and Fire | Class, Practicals, Range

April 17 – 18, 2024 | 8 a.m. – 5 p.m. | Orlando Police Department Range (100 George Desalvia Way)

Two days of NVG familiarization accelerates students through a class on theory, principals, inner workings of night vision, followed by practical exploration and demonstration of topics covered in class. During Dark Fire students employ firearms in a reduced visibility indoor (live) range environment.

Class size is limited. To register: <https://www.floridaswat.org/> You must be an FSA member to attend. The course instructor may be reached at 904-682-3939 (office landline) or david.k.meyers10.mil@army.mil.

Student Requirements:

- An understanding of safe weapons manipulation in low, zero visibility
- Your duty / call-out gear
- Body armor
- Helmet (with shroud / mounting plate)
- NVGs (that are helmet mountable)
- NVG mount
- Pistol and rifle mounted optics that are zeroed
- Infrared rifle-mounted and zeroed LASER
- NLTA: 250 pistol, 500 rifle (UTM or FX with appropriate pistol and BCG)
