TRAINING CLASSES - ORLANDO AIRPORT MARRIOTT LAKESIDE

MORNING CLASSES @ HOTEL – 8:00 A.M. TO 12 NOON

AFTERNOON CLASSES @ HOTEL – 1:00 P.M. TO 5:00 P.M.

Course # AM-Mon-003 PM-Mon-003	CRITICAL INCIDENT DEBRIEF	Lieutenant Ralph McDuffie Lake County Sheriff's Office
<p>This Lake County Sheriff's Office critical incident debrief will examine the case in which Master Deputy Sheriff Brad Link was shot and killed, and K9 Deputy Harold Howell was injured when they, along with other deputies, responded to a disturbance at a residence on Brookside Drive near County Road 439 in Eustis. A second ambush during the incident resulted in additional injuries to Deputy First Class Stephano Gargano. The debrief will address patrol and tactical decision-making, incident command, the role of the Tactical Operations Center, and the overall tactical response. It will also cover the investigative theory and findings based on evidence and the actions of the suspects before and during the incident.</p>		
Course # AM-Mon-015 PM-Mon-015	POINT OF INJURY CASUALTY CARE FOR THE NON-MEDICAL OPERATOR	Donald C. Heath, Jr., NRP, P-C Andre M. Pennardt, MD, TP-C Matthew C. Bowden, NREMR Lake County Sheriff's Office
<p>This course will identify the goals of <i>Tactical Emergency Casualty Care (TECC) Guidelines</i> as it applies to tactical law enforcement operations. It will address the key factors influencing TECC and will explain the evidence-based medicine that documents the lifesaving impact of TECC use for the non-medical tactical operator, and how it applies to overall tactical law enforcement operations.</p> <p>STUDENT REQUIREMENTS: BDU-style pants; polo or T-shirts; NO WEAPONS.</p>		
Course # AM-Mon-005 PM-Mon-005	TACTICAL TEAM LEADERSHIP DEVELOPMENT	Sergeant Tony Ferro Gainesville Police Department Florida SWAT Association
<p>This is normally a two-day course discussing the importance of the team leader's role in tactical operations, training events, and administrative functions. The class will discuss topics related to tactics and strategies for tactical operations, civil liability considerations, use of force concerns, planning, equipment needs, as well as national law enforcement trends surrounding tactical operations as a whole. This has been a very well received course taught numerous times across the state by well-respected national instructors and serves as an excellent introduction for all members of tactical teams and particularly that of senior members who may become a TL in the future. It also is a solid refresher course for those already filling the role ensuring your team and actions are on par with national standards and trends.</p>
